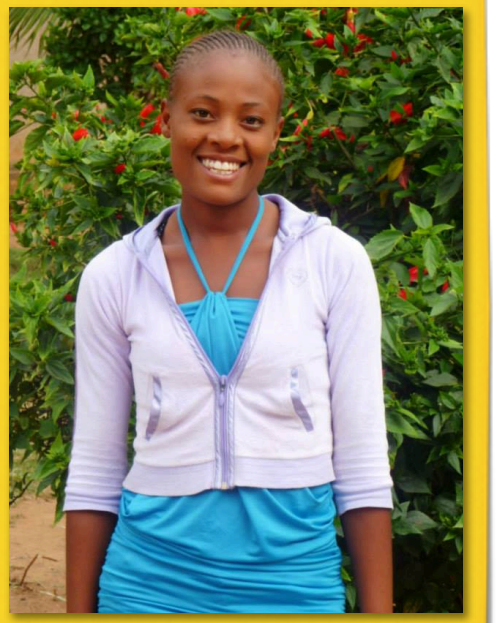
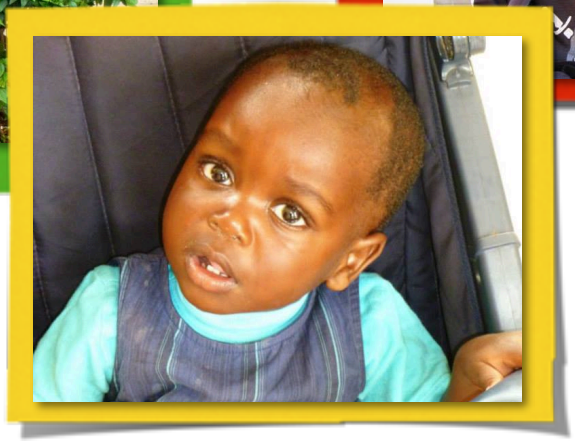
SPONSORSHIPS AND EDUCATION SCHOLARSHIPS



Jamaa Letu
ORPHANAGES



SPONSORSHIP PROGRAM

Our sponsorship program supports the operating expenses of the orphanages. Expenses include food, clothing, school fees, utilities and the salaries of the housemothers. Jamaa Letu I can be a home for up to 60 girls, and Jamaa Letu II can be a home to up to 24 boys. Children range in age from infants to their completion of secondary school. Each child has support from more than one sponsor, and the funds are pooled to benefit all of the children.

EDUCATION SCHOLARSHIP SUPPORT

Our commitment to the children does not end when they complete secondary school. We provide the opportunity for you to continue supporting a child you've watched grow up or a new opportunity to aid in the scholarship of a young adult. They have no other way to pay for ongoing education or vocational training as they move towards independence. Please consider making a five year commitment to help them achieve their goals.
