*Join colleagues from across the jurisdiction
for an extraordinary time of creativity and renewal!*

This year's format will include TED-Talk-style presentations on ministry ideas and lessons drawn from the passions and interests of those in attendance—along with time for community discussion. You can nominate a speaker and vote on topics ahead of time through our Facebook page,

www.facebook.com/WisdomofWomen2015.

You can also offer to share your own wisdom and experience!

The event begins at 2pm on Monday, February 23 (check-in starts at 12pm) and will finish by 11:30am on Wednesday, February 25. **Registration is just \$50** and includes four meals. **Registration is now open** at <http://bit.ly/Wisdom2015>.

In addition to worship, presentations and conversation, we will have **free time** Tuesday afternoon when you can explore the Temple Square area, enjoy massage or yoga, join a hike or just take a nap! We'll have lots of suggestions and options for you to choose from.

Tuesday evening we will have an opportunity to discuss issues and concerns relating to the **2016 General Conference**, and the bigger picture regarding clergywomen in The United Methodist Church.
