

Peace with Justice **Emergency** Grant Application

Pacific Northwest Conference

We realize sometimes the unexpected happens and a community has an immediate Peace with Justice need. We will make the effort to get funds to you within a few days of your request. Your need must be specific and part of a faithful response for justice in your community.

Possibilities for the use of this grant might be for an organizing dinner in response to a justice need in the community, or for materials for a rally, or for transportation needs to transport people to a hearing.

The Peace With Justice Grant is funded by local PNW churches who have generously given on Peace with Justice Sunday. Local church giving on that Sunday goes to fund the vital global ministries at the General Board of Church and Society, as well as funding peace with justice efforts here in our home conference.

The Peace with Justice Grants are awarded to ministry organizations and faith based non-profits by the Peace with Justice Coordinator and the Board of Church and Society of the Pacific Northwest Conference. Grant awards and amounts subject to budget availability.

“Moved by Christ’s love to pursue reconciliation and peace, honoring the dignity of every individual made in God’s image, The United Methodist Church is unwilling to turn a blind eye to injustice.”—GBCS
