What is Messy Church?

- Messy Church is a way of being church for families involving fun.
- Messy Church is Christ-centered, for all ages, and emphasizes creativity, hospitality, and celebration
- Messy Church is a church (not a craft club) that helps people encounter God.
- Messy Church is found across the world.
- Messy Church usually meets once a month and is designed for those who won't necessarily come to a traditional worship service.

Several churches in the PNW Conference already offer Messy Church and they have had good results!
