## NEW BOYS AT BART

This year, we welcomed seven new orphans into our orphanage.

## THE BOYS ACTIVITIES

During school time, all children are really doing their best to achieve good results by reading every day and doing all the work recommended by the teachers.

All the boys are doing fine; there is no complaint.

## MEDICAL CARE.

Last year, we recorded several cases of malaria among the children.

They were all treated at the Saint Joseph Health Center in the area, and they are all doing very well now.

## OFFICES, ACTIVITIES, AND WORKS DONE

**The following is the routine work we do in our orphanage.**

- We contacted and received good people who brought different gifts for the children.
- We are working in collaboration with the pastor's cabinet, supervising their school performances.
- We are praying for them.
- We take them to the hospital if they are sick.
- We participated in the opening of the annual conference, the assembly, and the installation of the new bishop of the episcopal region of South Congo, Bishop Mujinga Kashala Marie Jeanne
- We work hand in hand with the parish's pastoral office and the administrative council of the two orphanages.
