

# WHAT'S NEXT?

**Older Adults Retreat**  
*September 18 – 20, 2018*  
**Lazy F Retreat Camp . Ellensburg, WA.**

Still thinking about going to the September Retreat? You still have time to register!! We are all filling a bit weighted down by this summer's heat and smoke, so the Retreat would be a welcome way for a 'get away' and to begin the Fall season – it's a good way to have fun and have a change of scenery. And, God has supplied plenty of gorgeous scenery in the Canyon where Lazy F is!

**NOTE: To inquire about camping scholarships, please see below for contact info.**

We will be exploring pertinent and timely topics of discussion, led by knowledgeable and experts in their area!

- *What's the Next* thing I should do to help my family be better prepared for a natural disaster?
  - *What's Next* for those who have immigrated to Washington State?
- *What's Next* in our spiritual lives? How do Older Adults keep their spirituality and faith alive?

**Wendy Riddle, LLP, Retired**, will lead the discussion on '*What's Next*' to do for yourself and your family in the event of a natural disaster.

**Rev. Jen Stuart, Ellensburg UMC with special guests**, will be leading a worship service and a discussion on the organization 'Justice for Our Neighbors.

**Cathy Raymond, CLM, Tumwater UMC**, will be leading the Retreat in new spiritual development discussions through various methods of art, story-telling, and guided discussions. Lots of laughter has been promised, also!!

This Retreat will be stimulating, energizing, fun, faith-filled, with room for wonderful meals, music, free-time and just plain fun! The setting is in the gorgeous canyon of Manastash – in September the Canyon is ablaze with the gold leaves of fall.
