## JUSTICE AND MERCY FOR ALL

**“What does the Lord require of you?  
To act justly, to love mercy and to walk humbly  
with your God.”**

In preparation for Mission u 2019! I read *Women United for change: 150 Years in Mission* and reviewed the *Racial Justice Time Line: Important Moments of Racial Justice History in the United States and United Methodist Women*. Combining these two sources amplifies the accomplishments of UMW and puts them in the context of challenges. Reading personal stories about the women leaders on my iPhone added details. In 1869 the handful of women in Boston organized the Women’s Foreign Missionary Society of the Methodist Episcopal Church and sent the first female missionaries to India, Dr. Clara Swain, physician, and Isabella Thoburn, educator. Dues for the society were \$1/year with “two cents a week and a prayer” the standard. The men’s General Missionary Society proposed administering the funds, but the women said “no.”

As a historian I know that in most states the husband controlled the property of his wife. Change was slow but by 1900 almost every state gave women control over their property.

At the same time women in the United States could not vote. Elizabeth Cady Stanton (1815-1902) and Susan B. Anthony (1820-1906) were leaders in the struggle for women’s equality and suffrage. Together they founded the National Woman’s Suffrage Association in 1869. Stanton had married an abolitionist, so Anthony signed the contracts for the association since she was single. Along with other women they applauded the abolition of slavery but were disappointed with two Reconstruction amendments. The 14<sup>th</sup> Amendment (1868) defined national citizenship with voting for males. The 15<sup>th</sup> Amendment (1870) prohibited the denial of vote based on “race, color, or previous condition of servitude,” but omitted “sex.”

VOLUME 33  
NO. 4  
SUMMER 2019

## THE PURPOSE

The organized unit of United Methodist Women shall be a community of women whose PURPOSE is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the United Methodist Church.

The United States continued to deny women the vote. Wyoming territory in 1869 granted women the right to vote and beginning in the 1890s states in the west followed with Idaho in 1896 and Washington in 1910. Still another decade passed before the United States ratified the 19<sup>th</sup> Amendment granting women’s suffrage in 1920.

Despite the restrictions on property ownership and suffrage women made major contributions to mission and continue to do so today. This is our powerful legacy.

### 2018 ON-LINE CENSUS

Recently I participated in a video conference with representatives from conferences across the United States to discuss the results of the 2018 on-line census.

Here are some of the items that were discussed:

The on-line census has been active now for 12 years. It started with just the numbers of members, new members, and members lost. In 2016, they started asking questions to be answered by the units to be used by the National office for planning purposes.

The On-Line Census begins before October 15<sup>th</sup> each year. The e-mail with the video link and instructions is sent to each conference, then to each district, then to each unit. It is also available on the UMW web site, with all the instructions. Remember, you must get the "thank-you" or the information has not been retained. Some of the questions are Mandatory, so if not answered, your census won't go through to completion. It was suggested that the Districts include On-Line Census training at your leadership development events. The first preliminary draft goes out in February for perusal, and then the final draft goes out in April for any more corrections. This year, 53 conferences and 305 districts reported, which was lower than usual.

Here are the statistics for our conference:

Units reported 93; Districts 5; Total members: 2566

Districts by number of units:

Sea-Tac – 24

Puget Sound: 20

Crest to Coast: 17

Seven Rivers: 16

Inland: 15

Districts by number of members:

Puget Sound: 824

Sea-Tac: 529

Crest to Coast: 429

Seven Rivers: 349

Inland: 332

Please feel free to contact me with any questions, or if you would like the whole report sent to you.

Blessings,

Jan Franklin, PNW Membership, Nurture and Outreach.

## TREASURER'S REPORT FOR SECOND QUARTER

The 2<sup>nd</sup> quarter Remittances were received end of June which brought the total giving of the 5 districts to 40.8% of the total budget. So, while we are not exactly 50% of the budget mid-year, we are doing ok.

The districts did their budgets this spring and the executive group worked on the administrative budget at the executive meeting before Mission u.

You will vote on your district budgets at your individual district annual meetings. Those attending will vote on the executive budget at Conference UMW Annual Meeting in October in Wenatchee. Budget meetings are not exciting but they are vital to a healthy organization. I promise they are only a small part of the Conference annual meeting!

I hope to see many of you in Wenatchee in October.

## NOMINATIONS

We seek leaders who are willing to work as part of a team, who know what they're taking on and are open to exploring the biblical basis for why United Methodist Women engages in social action.

It is imperative that the conference leadership reflects the diversity of women throughout the church. Elements of this diversity include but are not limited to age, race, marital status, ethnic and cultural backgrounds, sexual identity, gender expression, disabilities and employment in and outside the home. Lack of previous experience as an elected leader will not be a barrier to nomination and/or election.

Our 2019 slate of officers has four openings: Membership Nurture & Outreach, 2 Members of Committee on Nominations and Program Advisory Group Alternate.

Please contact me for job descriptions or with questions. You may print out a "Potential Leader's Form" from our website at: <https://pnwumc.org/umw/resources/>

## PROGRAM RESOURCES

Mission u for 2019 was a great success, in part for the number of first-timers who attended this year. It was a pleasure to see the new faces and to hear stories about why each decided to join in with our school about UMW missions. The all-school study focused on UMW's 150-year anniversary and the history of our organization's accomplishments in promoting the health and welfare of women, children, and youth. Many of the early missionary plants continue to exist to this day, including the Tacoma Community House and the Atlantic Street Center in our own Pacific NW Conference.

While there have been big changes in the administration of the Reading Program beginning this year, we are delighted to know that the books are available in many venues, including public libraries, church congregational libraries, and in electronic format. Books can also be purchased on the internet. If you need help to do that, be sure to find your Program Resources person in your unit or district. For instance, I ordered the Mission u program books for 2 individuals in my unit as a service to them.

We are waiting in anticipation for the publication of the 2020 Reading Program catalog. It's always interesting to see what new books are selected for our reading pleasure. Remember that books selected for the Reading Program are current for 5 years, so you can always go back and find excellent books you may have missed. For instance, "Just Mercy: A Story of Justice and Redemption," by Bryan Stevenson is a great follow-up to "The New Jim Crow: Mass Incarceration in the Age of Colorblindness," by Michelle Alexander. Each of the 2 books are former Reading Program selections, and each author has opened our eyes to injustices that are endemic in our criminal justice system. As you look toward the end of the "reading year," be sure to document your reading list for inclusion in your unit's annual report of activities. Here is a link to the reading program reporting form: <https://www.unitedmethodistwomen.org/downloads/reading-program-report-form.pdf>.

Let me know if you would like me to bring sample copies of the Reading Program books to your unit or missional district event. It's great to be able to actually hold a book in your hands to decide if you want to purchase a copy or to check it out at the library.

## **Pacific Northwest Conference United Methodist Women Collected 432 Quilts for “Children at Risk”**

### ***Thursday Afternoon at Annual Conference***

Center in Tacoma, Tacoma Community House, Atlantic Street Center, Mt. Vernon Hispanic Ministry, Family Promise in Salmon Creek, the Support Center in Omak, and Domestic Violence Victim Services in Everett to name just a few of the places that received the quilts.

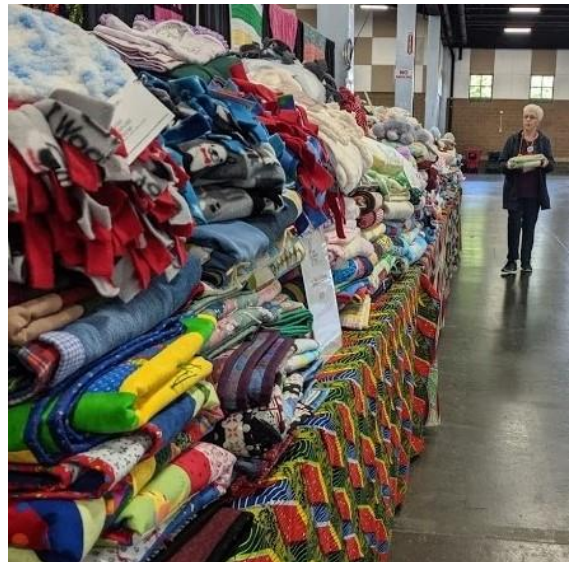

Our goal for next year, 2020 is to bring in over 500 quilts. Marsha Aufenkamp, President of Seven Rivers Mission District UMW will be in charge next year. If you did not bring a quilt to conference this year, please consider bringing one next year. If you brought one, how about two next year. Together we can increase the number of smiles on the face of a child receiving a quilt filled with love and prayers.

Thank you to all the churches and UMW units that brought in quilts and or blankets this year, 2019.

Susan Chamberlain, President  
Crest to Coast Missional District UMW

A tradition since 1991 at the Pacific Northwest Conference United Methodist Church Annual Meeting is the display of UMW Quilts for “Children at Risk” in our Conference. It was a beautiful display of color, texture, shapes and especially love and prayers for at risk children. For this year 2019, 432 quilts were received, an increase of 148 quilts. Puyallup UMC again were the top quilters bringing in 90 quilts.

Quilts were given out to the UMW District Presidents to be distributed to mission agencies in their areas working with women, youth, children, and babies. In that distribution quilts are given to the Northwest Detention
