A President's Perspective

**Jasmine Ray-Symms, Acting President
Puget Sound Missional District**

As Puget Sound Missional District (PSMD) United Women in Faith (UWF) Officers, I can tell you it's been a busy year for all of us! I just had my second knee replacement in three months on top of other ministry responsibilities and health sagas. I am worn out! But, while I was not able to complete everything I set out to do over the last year, it has been a good year nonetheless. Our District Annual Meeting in September was a wonderful chance to come together and fellowship with one another and draw deeper into our faith. Now, we move forward towards other ministry opportunities such as the Spiritual Growth Retreat in April.

Our message to you, our beloved PSMD units, is this: We are here for you. Our goal as district officers is to connect with our local counterparts in order to strengthen one another in Christ. We want to make sure you have what you need to move forward as United Women in Faith. We want to love and support you. We are exploring what the best ways are to make this happen, but our message is clear. As units struggle and some even have to close, we want you to know you are not alone. Your district counterparts are here to support you. Yes, we get busy and even overwhelmed but we are here to minister with you in Christ. We will be reaching out to you over the next few months but know, you can reach out to us. If you haven't received your District Directory yet, you will receive it soon. Feel free to ask for help or simply request a listening ear. Whatever you need, let's work together to make sure you have it. As it says in **Hebrews 10:24-25** "And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching."

Jasmine Ray-Symms
Puget Sound Missional
District President

We're in this together.

From The Treasurer

Hello Everyone,

I have talked and emailed with most of the treasurers since I have started as your District Treasurer while still working as the Conference Treasurer. I have answered questions for many of you having to do with the name change and checking accounts. The State should be responding soon to the paperwork sent in September. There is nothing I can do to hurry the process – I have tried. On a more uplifting note, it is always nice to hear how well we are doing with donations and meeting the goals of the district and the Conference United Women in Faith. And I am happy to report that we are a generous group of women and supported your pledge to the Puget Sound District. The District met its goals of giving for the year 2022 and then some with a total of \$34,661 in Pledge to Mission. This amount included money from funds in the account from 2021. Giving at the District Annual meeting held in October of 2022 was \$612 and it was donated to UMCOR Ukraine Project.

Program Resources

The reading program at the website uwfaith.org/resources/2023-reading-program/ has many plans. Basically, books can be from the previous five years or the current list. Books can be found at the local libraries or bookstores and online sources, like

Amazon. If someone reads at least one book, it can be counted as participation.

There are four plans. Plan 1, five books from each category; Plan 2 is 10 books, Plan 3 is 15 books, and Plan 4 is 20 books.

A BOOK STUDY

One of the books I would recommend for groups to read on this year's list is *The Book Woman of Troublesome Creek* by Kim Michele Richardson. This historical novel is about the true blue-skinned people of Kentucky. The librarian organized a packhorse library for residents out in the valleys. It's a story about strength and courage during the 1930's which will amaze you.

Another book I hope to read soon is: *Ida B. the Queen: the Extraordinary Life and Legacy of Ida B. Wells* by Michelle Duster. Born a slave in 1862, she was a journalist, suffragist, antilynching crusader. Often overlooked and underestimated, she was a woman who cofounded the NAACP among much of her accomplishments. National Association for the Advancement of Colored People (NAACP)

Happy reading UWF members!
Helen Smith, Program Resources Coordinator

Plan 1: 5 books a year

Read one book from each category and regular reading of “response” magazine.

Plan 2: 10 books a year

Read two books from each category and regular reading of “response” magazine.

Plan 3: 15 books a year

Read two books from each category, plus “5” additional books from any category and regular reading of “response” magazine.

Plan 4: 20 books a year

Read two books from each category, plus “10” additional books from any category and regular reading of “**response**” magazine.

A BOOK STUDY

Reading Program

The Reading Program is a cherished tradition that brings together members to explore, share and discuss books.

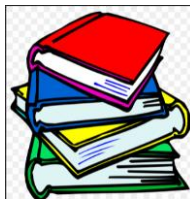

There’s something for everyone—the Reading Program is available for:

- Adults, youth, and children
- Enlightening subjects in diverse genres, including:
- Education for Mission
- Leadership Development
- Nurturing for Community
- Social Action
- Spiritual Growth

Response magazine and the Faith Talks **podcast** are part of the Reading Program.

The current catalog at this link:
[2023 Reading Program Catalog](https://www.uwfaith.org/2023-Reading-Program-Catalog)
([uwfaith.org](https://www.uwfaith.org/))

Ask questions if you cannot locate the books you want.

Books, books, books

We encourage you to reach out to other churches to find some of the books on the list if you cannot find them at the local library. We realize you do not all have access to electronic versions of the books, so we are still reading real books.

Gold Unit: Complete at least 16 of the criteria, 10 of which must be marked with a star.

Silver Unit: complete at least 8 of the criteria, 4 of which must be marked with a star.

Mission u

“Mission u” is the primary mission education event for the Conference. The event provides opportunities for everyone: women, men, pastors, families, youth , and children to grow in understanding of the mission of the church in the current world context as well initiate opportunities for spiritual and educational experiences.

For participants, Mission u is an opportunity to study current issues impacting society with particular attention to the responsibilities of women in fulfilling the mission work of the church.

Conference events are open to members and non-members of United Methodist Women who wish to grow in mission understanding of the church in the current world context. Come, enjoy this learning opportunity.

Spiritual Growth

Greetings, Ladies!

My little church in Arlington, WA, has gone through many ups and downs through the years. As a merged church of two denominations (United Methodist and Evangelical Covenant) we present special challenges to our laity as well as to our Pastor. Through the years, we've formed special bonds and become like an extended family to many different people; we've weathered through Covid, appreciated the leadership of interim pastors, and now have a full-time pastor from the New York area who is excited about helping us grow as we find opportunities to talk to people whom God wants us to bless.

We've been encouraged to learn more about ourselves by taking the online **Enneagram** assessment, and are working through our individual personality reports. I'd not heard of Enneagrams, but others have used their findings as helpful & useful tools. Our Arlington United Church (AUC) Women are planning to resume our weekly Bible Study,

and a few of us hope to begin to build a women's fellowship to utilize resources available through our reorganized United Women in Faith (UWF) and the Evangelical Covenant's Women's Ministries; there is so much we women can do as we focus our energies on needed ministries, whether local, regional, national or somewhere else in the world.

Who said "It isn't easy being green?" We're learning that we all need to become more mindful of thinking and being green, whether referring to our daily habits, recycling, re-using things, repurposing items, caring for our neighborhoods, advocating for justice, and just being willing to take a stand for what is right, true, and needed.

Do we need to rediscover what our passions are? At this point in our lives, what are we willing to do to commit to make a difference in our own lives or to help others? I encourage you to invite someone else to join you when you attend opportunities for training, for sharing ideas, for gaining new tools to help us on this life journey.

I hope and pray to see you soon!

A Message from Coupeville

Coupeville United Methodist Women/ United Women in Faith 2022

2022 was a year of change for Coupeville United Methodist Women. The name of our international group was changed from United Methodist Women to United Women in Faith. New leadership included Judy Good as Chair and Janet Gaston as secretary. Our meetings were held in person after meeting online during much of 2020/2021.

Officers continuing to serve were Val Hillers (Treasurer), Darlene Sherman (Spiritual Growth and Nominations), Jan Martin (Program Resources), and Suzanne Hauff, Kathleen Flower, and Peggy Shirar (Membership Nurture, Outreach).

Kathleen Flower received the 2022 Special Mission Recognition Pin.

The UWF vision is to be a powerful, fearless force driven by God's love and united in sisterhood. We seek to connect and nurture women through Christian spiritual formation, leadership development, creative fellowship and education.

Coupeville UWF monthly meeting topics focused on education about local agencies, personal health through nutrition, and taking responsibility for the earth through recycling. Love, Justice and Service were themes for the Quiet Day service in the sanctuary. The May and December meetings deepened our feelings

of fellowship and sisterhood through eating meals together.

Two members broadened their knowledge of UWF ministry through attending Mission u in Yakima and we hosted the District UWF meeting in September.

We raised funds via the annual bazaar, member donations, memorial receptions, honoring loved ones by sponsoring Tulips for the sanctuary at Eastertime and a candy sale. Our successful fundraising enabled us to donate \$4,050 to local agencies (Boys and Girls Club, Small Miracles, Gifts from the Heart, Coupeville School Foundation Promise Fund and CADA) plus \$600 to non-local agencies (Days for Girls International and Atlantic Street Center) and \$3,500 to UWF national and international mission work. We also purchased new tablecloths for the Fellowship Room.

A Message from Trinity - Sequim

Mission and Outreach Projects Trinity UMC Sequim WA

Trinity UMC, Sequim WA has several projects to serve our local community and global missions. One service we provide is to respond to inquiries from East Clallam County residents of any income level looking for advice and information to deal with the challenges of aging. This includes providing help with finding transportation and finding in-home help. We help people connect with volunteers who provide home visits, run errands, provide transportation, do chores and yardwork, and help with getting organized. We

also make follow-up calls to those who visit our worship services, and to church members who request a call. We listen to people to learn what they think would be helpful to them and what they feel they can do to be helpful to others. Service to our community is grounded in *The Caring Congregation Ministry* by Karen Lampe and Melissa Gepford.

Another service we provide is a respite program for people who deal with the challenges of dementia. For persons with dementia, we provide connection and stimulation in a fun, safe, loving environment. There are 2-5 volunteers for each person with dementia, and we all do the activities together. For their caregivers, we provide time to go do things other than provide care, as well as a class on caring for the caregiver, and a dementia support group. Our program is modeled after the program started at First United Methodist Church in Montgomery, AL. We held an open house to invite the community to come and see what we provide and to invite volunteers to take the training to be participants. Over 60 people from the community attended, and the open house was featured in a front-page article in the local newspaper.

We are active in many partnerships. We work with the local food bank and other organizations to distribute holiday food boxes to those in need of help. We host a Little Food Pantry on our church property and restock it daily. Teams of two people restock the pantry every morning for one week. We have enough volunteers for the teams to do this every other month. The food comes from donations, and we exchange with the local food bank items that are not used by our Little Food Pantry users for items they do want. We partner with Cub Scouts, Boy Scouts, and Girl Scouts who help out as a community project.

Our church is a designated disaster shelter. The Red Cross provides training for

volunteers, and we participate in an annual event where we dedicate one day to practicing setting up and running the shelter. Our prayer shawl ministry provides enough prayer shawls or lap blankets so that every person at the shelter can choose one item that is theirs to keep, knowing it was made with prayers for their well-being.

We partner with the local Boys and Girls Club to provide daily lunch for one week over the summer to children who would otherwise not have enough to eat. The youth prepare the food, and adults are present for the distribution at specified locations in the community. We also partner with the local food bank to hand out on Fridays at playgrounds bags of food for children who otherwise would go hungry over the weekend.

We partnered with two other churches to collect donations for starter kits for Ukrainian refugees. We created boxes of Cleaning Kits and boxes of Bathroom kits, which were donated to a community refugee center.

In August, we participated in a Back to School Fair for our local school district. We helped collect supplies and back packs and clothing. We filled the backpacks according to what was needed for each grade. We helped families find the clothing they needed.

When immigrants were bussed to parts of the country which were not prepared to receive them, we partnered with other conferences to help fund supplies for those in need.

We partnered with the local education foundation so teachers could apply for grants to get what they needed that was not provided by the school district. We selected two grants to fund. We helped a Spanish teacher get materials and a reading program.

We continue support of a missionary to Nepal, providing partial support for her salary. We hold Noisy Can fund drives on each month when there are 5 Sundays. Through this we raised money to help pay nurses and open a maternity ward in a community in Nepal that did not have maternity care.

We partner with the Voices for Vets organization to help with the two events they hold each year to collect socks and clothing for unhoused veterans.

In all these activities, I am reminded of the hymn, *Surely the Presence of the Lord is in this Place*.

A Message from Colby

Faith in Action

By Deanna Bedell,
President, Colby United Women in Faith

Although we are a small group, the Colby United Women in Faith from the Colby United Methodist Church in Port Orchard, WA have been busy. Nine of us met on January 16th in our fellowship hall to tie blankets for the Discovery Alternative School in the South Kitsap School District. The students and teachers appreciate the warm fleece to cuddle up in and we enjoy the giving. We also donated gloves and scarves to keep students warm. We want them to know they are valued and cared about. See our efforts below: Additionally, our group reached out to our shut-ins. In December, 2022, we met to make hand-made Christmas cards. Poinsettia plants were wrapped in colorful holiday cloth to be delivered along with the cards to our shut-ins.

A holiday lunch was shared as among members after our card-making efforts. See below:

OPEN INVITATION

We invite all churches in the District to share their stories, events, and goals. Tell your story in The Growing Edge.

Introduction

My husband and I have been active members of the Marysville United Methodist Church since 1981. While raising 2 boys, we were involved with mission trips and youth group service projects. Most recently, I co-lead Bible and service groups. We are striving to understand and promote social justice issues. I am still learning my role with UWF. When not involved with church activities, I love to play pickleball. Ski and hike. , Family activities are the best.

Staying in Touch

A Note from the Editor

It was so nice to meet some of you at the District Meeting at Coupeville United Methodist Church in September. It was also really good to gather and talk. It is important to work together, stay I touch, share ideas, and keep the energy going for the good works of United Women in Faith.

In moving forward, we are in constant change and we need to share the updates in the church, in UWF, in our own stories to keep the groups going. Membership, in my eyes, is always an issue, but what we do is so important.

In the months ahead, we hope to host a Leadership Meeting for all our churches. We are also finishing up the Puget Sound

Missional District Directory that will be shared with all of you.

Again, it is all about sharing and staying in touch. Look for updates for meetings.
