

## United Women In Faith Students Travel Fund

The Pacific Northwest Annual Conference United Women In Faith believe that participation by high school and college students in service projects and/or leadership training events can clarify vocational choices, deepen personal faith, and help meet human need. Since many worthy students could only participate in such events with financial assistance, the Student Travel Fund was established with donations from local United Women In Faith units.

The Student Travel Fund will help pay a portion of round-trip travel and registration fees for service projects and/or events that are held outside the bounds of the Pacific Northwest Conference.

Applicants should obtain the application form from the following:
