Crest to Coast Currents

Autumn 2025

Crest To Coast President's Corner

Happy Summer to you all. I hope you are enjoying our cooler than usual summer, I sure am. Our District officers have been busy from Spring until now with Soul Retreats, the latest in Bay Center way on the far west side of the state. These have been very successful and everyone seems to be enjoying them. I am so thankful for Joan Hackett and Sue Raymond for making these happen. Puyallup will have the next one September 27.

Look for changes coming to Mission Today, you can still turn it in for this year but Sheree Fitzpatrick, our E&I officer is replacing it with a new program we hope you will like better. National and the Conference have discontinued supporting Mission Today so we will be trying something new.

Mission u was a great success. The theme "Practicing Hope" lead to very inspirational discussions. We always enjoy trekking over to Yakima UMC, they are so hospitable!

After two years of searching, Teresa Rivera consented to be our Secretary for the District. We were so pleased to have her join the team that we had a welcome tea for her in July.

Right now we are working on the Fall Gathering, September 20 in Centrailia. It should be another fantastic meeting with our Speaker, Brittany Gilliland, Youth Director from Olympia UMC. Information and regisration forms are out and will be in this newsletter again. Please come and support Crest To Coast. A light lunch will be served but we

need to hear from you to know how many to plan on. We should be out by 2:30PM. We are always happy to have new folks join us on the district team. We still have two openings. Please contact one of our officers or myself. (We're in the directory) Stay cool and have a good rest of your summer.

Bev Thomas,
President,
Crest To Coast Missional District.

ALL are Welcome

Some men and many more women responded to our invitation, and we received as many heartfelt regrets as acceptances due to illness, prior engagements or vacations so we plan to continue these area gatherings. Ask for one to happen near you!!!

On July 18, 3 members from the Grays River Methodist Church traveled to Bay Center, Washington, for a gathering of Methodist women. The event was hosted by the Bay Center Methodist women; The church is small and very well kept up. The Bay Center women gave us a history of the church. Sue from the Olympia Methodist Church was the speaker. She did an excellent presentation of the Miracle of the Fishes and Loaves After the program we gathered in the social room for food and visiting. A great day for experiencing Gods love for all!

Evaluations from Bay Center

I am so glad that I attended this conference. The women are wonderfully easy to communicate with. I particularly liked the storyteller, which is the best way for me to learn, which I need. Thank you for organizing this conference. It has definitely been a positive experience.

It has been fun and loved the story. I now know a little more about Bay Center.

I really enjoyed this Soul Care trip to Bay Center. My first time and it won't be the last! God bless Sue and Joan for putting these together.

Thoroughly enjoyed the Women in Faith program today at Bay Center UMC! What a wonderful group of people. Thanks for coming. Janie Rose

Very enjoyable experience. Loved the storytelling.

United Women in Faith

Our Vision

Turning Faith, Hope and Love into Action on behalf of women, children and youth around the world.

Our Mission

United Women in Faith seeks to connect and nurture women through Christian spiritual formation, leadership development, creative fellowship, and education so that they can inspire, influence and impact local and global communities.

We believe love in action can change the world

We have opportunities for membership within our lo9cal churches and individual membership "all access" to help women connect with other women around areas of justice, soul care, and spiritual growth.

We encourage you to explore the many opportunities for making a difference

Through our partnership with Faith Action Network, Legislative Advocacy events, our ongoing work addressing our Charter for Racial Justice, and our focus on justice issues such as breaking the school-to-prison pipeline, maternal health, food insecurity, climate care, and more, we continue to be challenged to ask the "hard questions" and take action individually, locally and globally.
