Learning Together for Transformation of the World

CLASS DESCRIPTIONS*

ALL SCHOOL STUDY: **LATIN AMERICA: PEOPLE AND FAITH**

This study is an invitation to enter into this land, called Latin America, knowing it is a sacred land. We come in with respect to face the dignity of a people and with the love of God for them. We are in the Americas. In a certain sense this mission study is about us. We share the same corner of the world, we are neighbors, we are interconnected, but really the study is about another America. America in plural!

SPIRITUAL GROWTH: CREATED FOR HAPPINESS: UNDERSTANDING YOUR LIFE IN GOD

This study will examine the understanding of happiness and how to live the life that God calls us to. We live in a time when the search for happiness has become a dominant topic in our culture. For many years now, it has been common for Christians to think of happiness as an unimportant goal, reserving the word “joy” for the true satisfaction of Christian life. The early Methodists used the language of happiness often—secure and fulfilling happiness in God.

SOCIAL ISSUE: THE CHURCH AND PEOPLE WITH DISABILITIES

The text increases awareness of issues around disability **awareness** by discussing attitudinal and architectural barriers encountered by individuals with disabilities. The book covers ways to enhance full participation of persons with vision and hearing loss as well as people with mobility loss. The book intends to lead readers to engage in **advocacy** to help the church become more welcoming and **accessible** to those with disabilities.

YOUTH: LATIN AMERICA: PLACES, CULTURE, AND FAITH

The text contains a wealth of information on Latin American life, customs, culture, young people, geography, and liturgical practices that will help increase understanding of what life is like for Latin American youth who are working toward and dreaming of a better world. Each session will be a laboratory of life experiences through which participants will learn to listen and gain new knowledge and, in turn they will learn to explore.
