UR Worship 453	The Lord's Prayer	Al Oppenheimer, the arranger, is not in Hymnary.org, nor can he be found in the US Copyright search as of 8/18/2023	In some hymnals, the editors noted that a hymn's author is unknown to them, and so this artificial "person" entry is used to reflect that fact. Obviously, the hymns attributed to "Author Unknown" "Unknown" or "Anonymous" could have been written by many people over a span of many centuries
