

Read this first before completing the 2027 pastoral support worksheet for Pacific Northwest Conference appointments!

There is one pastoral support worksheet for all appointments in 2027 like the last couple years. Full-time, part-time and lay pastors with benefits are covered by this form. There are many calculated fields that need to be refreshed along the way.

I want to thank Bill Pritchard of the Arlington United Church for helping with the internal code of the form so costs on the the last three pages are displayed correctly and the total benefit cost field added.

If you are starting over after entering compensation hit the reset button. This will reset the form.

The second page has the benefit cost for full-time appointments. The third page has the benefit costs for 1/2 and 3/4 time appointments. The fourth page has the benefit costs for 1/4 time and full-time lay pastors.

The form uses Adobe Reader. Here is a [link](#) to this free software if you do not have it.

If you have any questions or comments, let me know at bruce.galvin@pnwumc.org.

Thanks,
Bruce Galvin
