

2027 Officers Contact List

INSTRUCTIONS: Please use this form as a worksheet to gather contact information for your Church Officers. When finished, please enter the information in the online form through the Church Dashboard.

We are assuming a January through December term for these roles. If otherwise, please let us know. If there are changes in person or contact information during the year, please contact your district administrator.

- **Please provide each leader's current personal contact information, not the church's general contact information.** The district and conference use this information to communicate directly with church leaders. The gender, age, and ethnicity fields are optional, but appreciated. The information helps identify leaders who reflect the diversity of our churches.
- **We assume your leaders serve from January-December.** If your church leaders change at a different time of year (eg. July-June), please let your district administrator know.
- **This is not a Nominations Report.** Please submit your Nominations Report separately
